```

The diagram illustrates the relationship between three source files. At the top is a header file, 'source/include/MMActionInitialization.hh', which is highlighted with a gray background. Below it are two source files: 'source/mmSim.cc' on the left and 'source/src/MMActionInitialization.cc' on the right. Blue arrows point from each of these source files up to the header file, indicating that both source files include this header.
