

main

```
graph LR; main[main] --> MMActionInitialization::SetScintillatorResolution[MMActionInitialization::SetScintillatorResolution]
```

The diagram illustrates a function call. A white rectangular box on the left contains the text 'main'. A dark blue arrow points from the right side of this box to a larger, gray rectangular box on the right. This gray box contains the text 'MMActionInitialization' on the top line and '::SetScintillatorResolution' on the bottom line. Both boxes have black borders.

MMActionInitialization
